Early close of retail offering in Netcompany

With reference to company announcement no. 2/2018 dated 23 May 2018 and the Offering Circular dated 23 May 2018 in connection with the Company's initial public offering and contemplated admission of its shares to trading and official listing on Nasdaq Copenhagen (the "Offering"), the Company today announces an early close of its retail Offering to retail investors.

The Offering to retail investors, with orders up to and including DKK 3 million, will close 4 June 2018 at 4 p.m. CET. The early close of the Offering is due to the aggregate demand from retail investors exceeding the expected allocation of offer shares.

Information about the result of the Offering, including final offer price, the final number of sold offer shares and the allocation of shares, is expected to be announced on 7 June 2018. The first day of trading of the shares is expected to be 7 June 2018 under the symbol "NETC" (ISIN DK0060952919).
